

YOU'RE INVITED

Please join your friends and colleagues from Communications Consulting Group at our annual Clays for Kids Tournament in support of **Hibiscus Children's Center!**

WHAT IS THIS EVENT

The Communications Consulting Group provides cable and telecom expertise to clients in 48 states and Canada. We represent over 4,000 properties and 1.3M units. We are pleased to host our signature Sporting Clay Tournament which will benefit the children at **Hibiscus Children's Center**. This event is similar to a golf tournament in many respects as both events have participants ride in golf carts and travel to different points on a course and keep score. In a Sporting Clay Tournament, the course is comprised of 14 different "stations." Each station has strategically placed targets that serve up airborne disks or "clays" that participants attempt to hit. Each participant keeps score of how many successful hits they have during the tournament and awards are given out at the close of the event during a BBQ feast!

See next page for event details.

WHEN

Thursday March 13th, 2025

PLACE

**Quail Creek Plantation
12399 NE 44th Street
Okeechobee, FL 34972
www.quailcreekplantation.com**
